#### 1.1 Accounting convention

The financial statements are prepared under the historical cost convention and in accordance with the Financial Reporting Standard for Smaller Entities (effective January 2015).

#### 1.2 Compliance with accounting standards

The financial statements are prepared in accordance with applicable United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice), which have been applied consistently (except as otherwise stated).

#### 1.3 Turnover

Turnover represents the fair value of the income receivable in the ordinary course of business for goods and services provided. Turnover is recognised at the time of delivery of the service. Should the Company consider that the criteria for revenue recognition are not met at the time of the transaction, recognition of the associated turnover would be deferred until such time as the criteria have subsequently been met. No adjustment is made to turnover for estimated bad debt charges. These are charged to operating expenses.

#### 1.4 Research and development

Research expenditure is written off to the profit and loss account in the year in which it is incurred.

#### 1.5 Tangible fixed assets and depreciation

Tangible fixed assets other than freehold land are stated at cost less depreciation.

The company now has licences to operate in two areas, Knowle (sewerage) and Upper Rissington (water and sewerage). These were (are in the case of Upper Rissington) acquired at nil value. The commercial value of the assets are depreciated at rates shown below and are then negated by a similar amount to reflect that consideration is nil.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Land and buildings Freehold	No depreciation on land
Plant and machinery	2 years straight line
Mechanical & electrical	10/20 years straight line
Infra structure	100 years straight line
Sewerage treatment works	60 years straight line

#### 1.6 Pensions

The company contributes to defined contribution schemes for the benefit of its employees. Contributions payable are charged to the profit and loss account in the year they are payable.

#### 1.7 Deferred taxation

Deferred taxation is provided in full in respect of taxation deferred by timing differences between the treatment of certain items for taxation and accounting purposes. The deferred tax balance has not been discounted.
